PROFESSIONAL SUMMARY

Senior Computer Science academic with over 18 years of international teaching and academic leadership experience across Oman, India, and Papua New Guinea. Experienced in teaching undergraduate and postgraduate courses across Artificial Intelligence, Machine Learning, Data Science, Data Structures, Computer Networks, Software Engineering, Cloud Computing, IoT, and Cybersecurity. Proven record of securing \$96K+ research funding, publishing 76+ peer-reviewed articles, authoring 26+ textbooks, and holding 14 international patents. Strong experience in curriculum development, accreditation, student supervision, academic advising, and institutional service.

KEY SKILLS

Artificial Intelligence | Machine Learning | Data Science | Data Structures | Computer Networks | Software Engineering | Cloud Computing | Internet of Things (IoT) | Cybersecurity | Academic Leadership | Research Supervision | Curriculum Development

RESEARCH FOCUS

Artificial Intelligence in Education | Smart Campus Systems | IoT-based Assistive Technologies | Machine Learning Applications

PROFESSIONAL EXPERIENCE

University of Technology and Applied Sciences (UTAS), Salalah, Oman

Program Coordinator & Lecturer (Computer Science / IT)

Sep 2013 – Present

- Deliver undergraduate and postgraduate courses in Artificial Intelligence, Machine Learning, Data Science, Data Structures, Computer Networks, Software Engineering, Cloud Computing, and IoT
- Design and update curriculum aligned with accreditation standards and industry requirements
- Supervise student research projects leading to publications and conference presentations
- Secured and managed 6 research grant projects worth over \$96,000
- Provide academic leadership in course coordination, curriculum planning, and quality assurance processes
- Chairperson, Student Development Committee (since 2022), leading student engagement, skill development, and extracurricular initiatives
- Mentor students and guide project-based learning aligned with industry and research trends
- Contributed to departmental planning and strategic academic initiatives
- Contribute to institutional committees including accreditation, research, and academic development activities

Dhofar University, Oman

Part-Time Lecturer (Engineering)

Feb 2026 – Present

- Deliver Microprocessor Laboratory sessions for undergraduate students
- Guide students in assembly language programming, hardware interfacing, and practical system design
- Support hands-on learning through experiments involving 8051 microcontrollers and embedded systems applications.

Institute of Business Studies, Papua New Guinea

Head of School – Computer Science & IT

Feb 2012 – Feb 2013

- Led academic operations and departmental strategy across three campuses (22+ faculty)
- Oversaw curriculum development and academic quality assurance

- Supervised postgraduate research and faculty performance
- Chaired recruitment and staffing processes

The Lawrence School Lovedale, India

Head of Department – Computer Science & IT

Aug 2009 – Feb 2012

- Managed departmental teaching, staffing, and curriculum planning
- Trained and led robotics teams for international competitions (World Robot Olympiad)
- Introduced lab-based and project-oriented learning practices

Navkis Residential Junior College, India

Lecturer – Computer Science

Jun 2007 – Jul 2009

- Delivered lectures using structured teaching methods including demonstrations, discussions, laboratory sessions, and case studies
- Prepared, administered, and evaluated examinations and assignments to assess student performance

EDUCATION

Post Doctoral Fellowship (Computer Science), 2025 – 2026 - Completed

Lincoln University College, Malaysia

PhD in Computer Science, 2019 – 2023

Sunrise University, India

MPhil in Computer Science, 2007 – 2008

Vinayaka Missions University, India

MSc in Computer Science, 2005 – 2007

Gulbarga University, India

BSc in Computer Science, 2002 – 2005

Gulbarga University, India

SCIENTIFIC OUTPUT

- 76+ peer-reviewed publications in Scopus and Web of Science indexed journals
 - 25+ international conference presentations and publications
 - Author of 26+ textbooks in Computer Science
 - 14 international patents (8 India, 6 United Kingdom) in AI and IoT domains
 - **Google Scholar: 400+ citations | h-index: 10**
-

RESEARCH GRANTS & FUNDING

- **Secured and led 6 research projects with total funding exceeding \$96,000 from MoHERI (Oman) and UTAS, serving as Principal Investigator and Co-PI.**
 - **Lead investigator on projects in:**
 - AI-based personalized learning systems
 - Smart sustainable campus solutions
 - AI/IoT assistive technologies for visually impaired users
 - Conversational AI in higher education
-

OTHER ACADEMIC & COMMUNITY CONTRIBUTIONS

- Supervision of undergraduate and postgraduate student projects and research work
- Reviewer for international journals including Elsevier (Materials Today Proceedings)
- Editorial Board Member for international academic journals
- Technical Program Committee Member and Session Chair for international conferences (ICCDA23, ICCDA24, ICCDA26 – Oman, IBDAP25 - Thailand)
- Active participation in academic conferences, seminars, and workshops
- Organized academic events including IT Festivals and programming competitions
- Contribution to student development initiatives and community engagement programs
- Involved in academic committees including accreditation, research, and curriculum development

- Organizer of Dhofar Competitive Programming Competition (**DCPC 2024 & DCPC 2026**), a major academic event engaging students in competitive programming, algorithm design, and problem-solving challenges.
-

TEACHING & SUPERVISION

- Teaching across Diploma, Undergraduate, and Postgraduate levels
 - Subjects: Artificial Intelligence, Machine Learning, Data Science, Data Structures, Computer Networks, Software Engineering, Cloud Computing, IoT, Cybersecurity, and Programming Languages
 - Supervised student projects resulting in research publications and conference presentations
 - Use Learning Management Systems and digital teaching tools (Moodle) to support course delivery, assessment, student communication, and engagement
 - Provide academic advising and mentoring to students, supporting academic progression, project selection, and career development
-

LEADERSHIP & ADMINISTRATIVE EXPERIENCE

- Head of School and Head of Department experience
 - Chairperson: Student Development Committee
 - Former Chair: HR Committee, Timetable Committee
 - Member: Accreditation, Research, and Training Committees
 - Organizer of IT festivals and programming competitions
-

CERTIFICATIONS

- Microsoft Certified (Java, Python)
 - Huawei Certified (AI, Cloud, Security, Data Communication)
 - Cisco Certified (IoT Fundamentals)
-

PROFESSIONAL MEMBERSHIPS

- IEEE Member
 - IAENG (International Association of Engineers)
 - CSTA (Computer Science Teachers Association)
-

AWARDS

- Best Researcher Award (2024 & 2025), UTAS Salalah
 - Excellent Staff Award (2025), UTAS Salalah
-

PERSONAL DETAILS

Nationality: Indian

Languages: English, Kannada, Hindi, Telugu, Tamil
